2 · A SAMPLE DAY

HOW A SCHOOL DAY RUNS

Time	What happens
8:30am	Arrive, headcount and check-in. The teacher in charge hands over the list of pupils.
9:00am	Safety briefing, warm-up and fitting of harnesses and helmets.
9:30am	Activities in small groups, rotating between stations with our instructors.
11:00am	Team games hour (free on Monday to Thursday).
12:30pm	Lunch: the school meal or a buffet.
1:30pm	More activities, then a final headcount.
3:00pm	Depart. Times can be adjusted to suit your travel.

Supervision

- ✓ Schools bring 1 adult for every 4 pupils aged 5 to 12, and 1 adult for every 8 pupils aged 13 to 17.
- ✓ Our instructors run every activity. Teachers stay with their pupils between activities.
- ✓ Headcounts at arrival, after lunch and before departure.

Consent

The teacher in charge signs one school trip form online for the whole group, confirming the school holds each parent's consent. Teachers and adults doing activities sign our waiver.

Use the letter to parents in this pack to collect each parent's consent.

3 · SAFETY

HOW WE KEEP PUPILS SAFE

Our standards

- ✓ **Certified gear.** Harnesses, helmets, lanyards and pulleys are made to European safety standards (CE marked: EN 12277 harnesses, EN 12492 helmets), checked before every session.
- ✓ **Daily and yearly inspections.** Every part of the courses is inspected each morning before we open, and by an independent specialist once a year.
- ✓ **Trained instructors.** Trained on fitting gear, running each activity and rescue at height. First-aiders on our team hold a recognised certificate.
- ✓ **Clipped in all the way** on the high activities, from start to finish.
- ✓ **First aid on site** whenever activities run. Nazareth Hospital is close by on the same road.
- ✓ **Gloves** lent for the high ropes.
- ✓ **Insured.** We hold public liability insurance.

Risk assessment summary

Risk	How we control it
Falls from height	Certified harness and helmet, clipped in at all times, instructor fits and checks gear, briefing and ground practice, age, height and weight limits.
Equipment failure	Checks before every session, daily course inspection, yearly independent inspection, gear retired on the maker's schedule.
Rope burns and hand injuries	Gloves lent for the high ropes, instructor guidance on hand position.
Archery	Instructor-run range with a shooting line. Arrows are collected only on the instructor's signal.
Bad weather	High activities pause during thunderstorms, heavy rain and strong wind, with shelter on site. Activities resume when safe.
A pupil becomes separated	Adult ratios above, groups stay with their teacher, a set meeting point and regular headcounts.
Illness, allergies, medical needs	School shares medical needs and allergies before the visit. Meals adjusted on request. First-aider on site, hospital nearby.
Vehicles at arrival and departure	Pupils stay with teachers in the parking area and follow our staff's directions.
Sun and cold	Pupils bring a hat, water and a warm layer. Tigoni can be cool, especially in the afternoon.

We are happy to share more detail for your school's own risk assessment. Call 0115 707 820.
